# THE BAT PACK

If March comes in like a lion, let it go out like a grand slam! Yes, it's time to suit up in sporty styles for swing-, uh, *springtime*. *US* asked four outstanding players in their fields to model a pro-pourri of sportswear. The lineup: Christina Applegate, 17, sassy Kelly Bundy on the offbeat series *Married . . . with Children*; Leslie Bega, 21, brainy Maria on ABC's Top Twenty hit *Head of the Class*; pitcher Ron Darling, 28, and first baseman Keith Hernandez, 35, both of the New York Mets. While the actresses are used to clothes calls, it was a stretch for the athletes: "I'd never want to model," says Darling. "The work's too tough." Still, they'll help you slide into the "rights" of spring.
